

THEREC

THEREC CORPORATION LTD.

THEREC ENGINEERING & CONSULTANT CO.,LTD.

TRT FACTORY CO.,LTD.

Company profile

"Therec Corporation Ltd."

*"Total Solution for Bulk material Handling & Processing
Integration"*

The 24 Years Old Energetic Companies

COMPANY PROFILE

THEREC CORPORATION LTD. starts since 24 years ago(1996) by being sole agent of high pressure blower, Rotary & Diverter valve and some others pneumatic conveying system components from Europe & USA.

Our first work shop and office was in Bangnon together with our sister company / **Siam Complex Technology Co., Ltd / SCT**, who is the specialist in food processing engineering turn-key project

Four years later we have start to build up our own first work shop to fabricated many parts of our product instead of 100% import as the beginning

For many years past we are now a day, have been separated in to 3 groups of activity in 3 companies and 3 workshops in Bangbon Bangkok, Sainoi Nontaburi and Nikompattana Rayong.

I. Therec Corporation Ltd./ TRC since 1996

Doing business in sale and service for bulk handling valve and high pressure blowers, both the imported and in house manufacturer items under the brand **TRC**

For sales and service bussiness, we are the distributor for the imported product in 2 catagories.

1. Bulk Handling Machines and Components

- Isolated valve for dust explosion protection / **ATex** /Germany
- Explosive pabel ,**STIFF VIGILEX** / France
- Tube ,bends and coupling ,**Morriss** /USA
- Flexible conector, **BFM Fiiting** / Newsealand
- Flexible hose & floor clening kit for vacuum cleaning system, **Flexaust** /USA
- Grinding , Drying and Mixing machine ,**HOSOKAWA MICRON**/ JAPAN

VIGILEX® 

2. High pressure Blower and Vacuum Pump

- Roots blower and Vacuum pump, **Howden Roots** /USA (Thailand Exclusive Distributor)

- Ring Blower ,**FPZ** / ITALY (Thailand Exclusive Distributor)
- Multi-stage centrifugal blower ,**SAVIO** / ITALY (Thailand Distributor)

For manufacturing business, we are the maker many products in the bulk handling which could be divided in 3 categories .

1. Bulk Handling Vales and Components

- **Rotary valve** from size 4.0 " to 20" Mainly in stainless steel and hard chromed carbon steel version for food ,chemical and some other special application in others industry. Powder type, Pellet granular type, Quick release, Easy clean, High temperature, Air-Gas purge shaft seal
- **Diverter valve**, Fill Vent valve, Scale Valve, 3.0" to 12.0"
- **Lump breaker**, Lump Crusher, Coarse Grinding Machine for food and chemical industry
- **Quick release, easy clean screw conveyor** for food industry
- **Self aligning flange** for pneumatic conveying system for food application

2. Bulk Bag Handling Machines

- **Bulk bag unloading station**, dust free application
- **Bulk bag filling station**, automatic control, and friendly use, with precisely weighing system, from easy unit with the capacity from few bags /hr to high speed version with capacity of 100 bag/hr

3. High pressure blower engineering package & component

- **Engineering package blower set**
- **Acoustic enclosures**
- **Sound proof silencer**

88 Soi Karnjanapisek 4/2 Karnjanapisek Rd. Bangbon Bangkok 10150 Thailand

General product TRTT02 / 2016

II. Therec Engineering & Consulting./ TRE&C since 2011

Separated from the Project division of **TRC**, doing business in design, service, construction and integrating the system for bulk material handling process, mainly in

- **Pneumatic conveying system**
- **Weighting system**
- **Storage silo system**
- **Sea bulk loading system**
- **Dust explosion protection system**

We have more than 130 references of the system around Thailand and some countries near by in many industries.

Start from the very small system for sugar pneumatic conveying for Dutch Mill Co., Ltd (in cooperated with our sister company **SCT**) in the year 1998 to the 100% Turn-key automatic system of bulk material handling in many industries like food, petrochemical and many material more.

Along through the 20 years history of the activity, TRE&C has built our own name to be the highest experience company in Thailand for the pneumatic conveying system.

Pioneer work and continuous further development.

More than 130 systems installation around in region.

More than 1,200 units of the equipment sales and service

Clear & Complete engineering process design with the main components of the process coming from a single group, precisely matched for the influences system operation with the full reliable service team.

III. **TRT Factory Co., Ltd./ TRT** since 2014

Separated from the production division of **TRE&C**.

Doing business in design, fabrication for stainless steel and some specified carbon steel work, mainly in.

- **Stainless steel Tank, Silo and Hopper**, for food, chemical and petrochemical industry
- **Stainless steel mixing tank** for food and pharmaceutical industry
- **Stainless steel and Carbon steel, Bag filter and Cyclone** for food, chemical , petrochemical and some construction industry
- **Stainless steel work**

Design, Manufacture and Installation

รับออกแบบ ผลิต และ ติดตั้ง

**Stainless Steel Tanks , Silo and Hopper
For Food , Pharmaceutical
and Other Industrial Product**
